DomusVi today announces that it has successfully extended the maturity of its financing to the end of 2029

DomusVi welcomes the renewed support of its historic shareholders, company founder Yves Journal and the ICG Fund, as well as its lenders and key bank partners in extending the maturity of its financing to the end of 2029.

In line with its "Domus2025" strategic plan, the Group announces today that it has successfully extended 1.854 billion euros of "term-loan B" type financing (repayable at maturity) and 181 million euros in revolving credit lines. Its historical shareholders are committing, in various forms, up to 200 million euros to this operation.

Sylvain Rabuel, Chairman of DomusVi, commented: *"The renewed support of our historic shareholders, our lenders and our main partner banks is testimony to the recognized quality of DomusVi and the strength of its performance despite successive crises in the sector. As the only specialist in housing, services and care for the elderly on a European scale, the DomusVi Group and its 50,000 professionals are resolutely looking to the future, with the confidence of families, to provide ever better support for the elderly through its premium home care and residential offerings".*

About DomusVi

Created in 1983 in France by Yves Journal, DomusVi is today one of the main key players in housing, care and services dedicated to the elderly. DomusVi is present in France and in 7 countries in Europe and Latin America. Our mission is to preserve the quality of life of older people, by maintaining an active social life, and to help our civilization to face the demographic challenges of aging. Today, DomusVi's 50,000 employees take care of nearly 100,000 elderly people daily who live in our residences or into their homes.

DomusVi is convinced that shared humanity is the key to always taking better care.
